

MABC FALL MEETING MINUTES 9.16.21

- > **Peter** opened the meeting and talked about the HOF inductions in August.
- > **Peter and George** gave an update about the National High School Basketball Coaches Association held in July in Cleveland. We have been asked to host the 2023 Convention in Portland. George is currently working to secure a site and then we will work on other details.
- > **We discussed LUCEO** and the options they offer if we choose to join. It was proposed that we increase dues by \$5.00 to cover the cost of their services. After much discussion it was motioned and seconded to increase dues by \$15.00 for individuals and teams. It passed unanimously. I will attach the new form to this email. Everyone needs to spend some time researching LUCEO and all the services they offer. The big one is usage of their Whiteboard application. Coaches can contact them for more information. The easiest way is to go to the NHSBCA website, and they have a link to help. Let George know if you have concerns or problems with this.
- > **Rick Clark our treasurer and Griffin Clark** head girls coach at Van Buren are our state representatives to Women's Basketball Coaches Association. Contact them if you want any information.
- > **Peter talked** about the upcoming season. His conversations with MPA about the upcoming season and he said that the best way to prevent not being able to play is to be vaccinated and pool tracing to eliminate quarantining.
- > **Peter** believes the Rules Clinic will probably be by ZOOM again. Be on the lookout.
- > **Elections of Officers** were held and approved unanimously. Same slate as last year.

Peter Murray President
